Dear Effa,

I am sorry that you had to get in touch with me a second time, without having heard from me. I have been in the South for about a week on a preaching engagement. I spoke to one or two people about John Davis and they promised me that they would intercede, but as yet they have not given me anything definite. I want you to know that I have sent a letter to the head of the parole Commission in an effort to have Davis work with you in Newark. As soon as I have a reply you will hear from me again. With best regards to you and your husband

Faithfully yours,

John H. Johnson
